

Hello

If you are looking to buy meat and veg (unable to get a delivery slot from one of the major supermarkets?), I'd suggest you look at these options:

<https://www.rooksonline.co.uk/online-meat-delivery>

<https://www.foodbevg.com/GB/Folkestone/235822393495378/lsher%27s-Veg-Box>

<https://bigbarn.co.uk/places/Kent/Hythe>

<https://www.milkandmore.co.uk>

<http://chichesterhall.co.uk/sandgate-farmers-market/>

Most deliver,

We only have experience of Ushers Veg Boxes which are very good indeed.

Best Wishes
